SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

As authorized and encouraged under 37 CFR §§ 1.97-1.98 and the provisions of MPEP §§ 609 and 707.05 (b), the Applicant submits herewith certain supplemental patent references, publications and/or other information which the Patent and Trademark Office may wish to consider in examining the above-identified patent application. The references and information are listed below and on attached form PTO-1449.

U.S. PATENT DOCUMENT

Document Number	Name
3,908,902	Collins et al.

The identification of the document herein is not intended to be, and should not be understood as being, an admission that such document, in fact, constitutes "prior art" within the meaning of applicable law.

Applicant submits this statement in accordance with their duty of disclosure under 37 C.F.R. §1.56. This statement is filed in accordance with 37 C.F.R. 1.97(b), before the mailing date of a first Office Action on the merits.

Applicant respectfully requests that the document cited herein be made of record in the normal manner and that such document appear on the printed patent as being considered and made of record.

Respectfully submitted,

Date: 12/16/04

Examiner: Initial if citation considered, whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant.

The identification of any document herein is not intended to be, and should not be understood as being, an admission that each such document, in fact, constitutes "prior art" within the meaning of applicable law since, for example, a given document may have a later effective date than at first seems apparent or the document may have an effective date which can be antedated. The "prior art" status of any document is a matter to be resolved during prosecution.
